Entries are accepted on a first come, first serve basis and are limited to the amount of performance time available. DANCE MANIA reserves the right to add additional competition days or move the competition location due to unforeseen circumstances.

1. ENTRY DIVISIONS AND TIME LIMITS

~ Time limits are applicable to all categories. Overtime results in automatic deduction of one point or a fraction thereof for every 5 seconds overtime. Directors will incur an additional fee for every minute over the time limit, not to exceed two additional minutes.

AGE DIVISIONS

~ There are **Level I Performance**, **Level II Intermediate**, and **Level III Elite** divisions for all categories and age divisions.

~ There are separate entries for Miss/Mr. DANCE MANIA in Level I, Level II, and Level III.

Level I Performance: dancing 1 to 2 days per week; places dancers whose skill level, technique, musicality, and choreography are basic or more simplistic in nature.

~ When determining the age division for an entry, please average the ages of the participants in an entry. Once the average is calculated round up from .5 and down from .4 (i.e. 6.4 average is in 5-6 and a 6.5 average would be in 7-9).

~ DANCE MANIA reserves the right to combine entries due to limited entries.

~ Each SOLOist may perform a maximum of 3 SOLOs, but they must be in 3 different solo categories. Only 2 of the 3 SOLOs can win an overall solo award. The same photo and interview scores will be used for both of the solos competing for title.

~ Teachers may compete in the senior category only if the teacher instructs at an assistant teacher level for ages 0-9 and at maximum of 3 teaching days per week. Otherwise, the teacher competitor must compete in the 19 & up or the Pro Am categories.

~ Contestants are required to record their own music on a thumb drive, iPad, iPhone, or iPod. All music must be recorded at proper speed. Speed control WILL NOT be adjusted. DMI TITLE

Title entries will have Level I, Level II and Level III. Mr. and Miss Title participants will compete together in the appropriate age division. An uncontested title participant will be required to score a Platinum to receive a Title Award.

The Title competition is set up in a basic audition format. It will be helpful to anyone pursuing any type of interview or audition in the future. The Title competition consists of three areas and will be worth a total 400 points.

1. SOLO (possible 300 points)

Demonstrate talent and ability.

2. PHOTOGRAPH (possible 50 points)

An 8x10 color or black and white headshot photo that displays individuality, demonstrates qualities of yourself, and is age appropriate.

This photograph is separate from Mr. and Miss Photogenic.

Photographs should be turned in to the customer service desk during registration.

Photograph must be labeled with the competitor's name, entry number, age division and dance studio.

3. INTERVIEW OFFSTAGE (possible 50 points)

Demonstrate personality, attitude, etc.

Interview is short and informal (approximately 2-3 minutes) with a title judge, as soon as possible upon arrival to competition or soon after the contestant performs his/her solo.

Remember that while the SOLO performance is a huge part of Title scoring, sometimes the best dancer will not win the Title, as the other variables of Photograph and Interview are calculated when judging and awarding for Title.

A SOLOist entering 2 SOLOs in the Title division can do so, but they must be in different categories. Only the highest scoring SOLO for each SOLOist will be eligible for Title placement.

Absolutely no Title changes or Title additions will be made 72 hours prior to the event.
